Hi David,

Here's where the living wage increases stand:

The proposed 2015-2016 City of Asheville budget has \$250,000 allocated to extend a living wage to employees classified as temporary/seasonal. Staff expects to have a recommendation on how the allocation will be equitably distributed 60-90 days into the new fiscal year.

Seasonal and part-time workers, such as some Parks & Recreation and US Cellular Center employees, may be among those positions that qualify, for example.
