David,

Sorry for the slew of emails! I realize the list I sent you doesn't contain each of the board member's names, but all of the applications from current board/commission members are in the City Clerk's office. She has let me know that some of the boards members are appointed and don't have applications (you probably knew this).

You are welcome to come by and review them. Let me know if you prefer them in electronic format, otherwise, just let me know when you would like to come by and take a look.
