Protect your campus with license plate recognition.

LPR anywhere

- The latest ultra-mobile license plate recognition product from **NDI Recognition Systems**.
- Featured in this month's **Campus Safety Magazine**(page 65).
- A cost-effective radar speed trailer also equipped with a complete license plate recognition solution.
- Perfect for checkpoints and other temporary deployments.

- Approaching cars are checked by the radar system, and are scanned by the LPR system after they pass by.

- Officers can be alerted to vehicles of interest in real-time.

- Plate reads can be stored for later analysis.

- Powered by deep-cell batteries and solar panels.

Contact NDI Recognition Systems for more information.
