Changes 5c420ad1-cf94-428a-97cc-6f1dd169d646 | have at least a single can of brake cleaner spray to remove any oil and residue from the gasket mating surfaces.. http://www.safercar.gov/parents/index.htm

Important: Auto Coverage Changes as of this Year

Dear David_gregory,

We think we have located a better auto coverage plan for you. Your state is offering additional coverage options.

Driver Type: #YRF

Click Here to see your changes -- Enter Zip-Code

Benefit: Since new laws passed, you might be eligible for auto insurance as low as $12-per month.

you will probably want to pressure wash the top of the motor .along the sides of the intake if possible . before you take it all apart . then make sure you blow the wash water off . I normally do this with the engine running so the heat dries the electrical connectors that might have gotten wet .

Notice: PLEASE SEE THIS AS SOON AS POSSIBLE!
Notice: Changes Occur on (02.21.2014)
