

Subject: Fwd: FW: Affordable, 100% Electric vehicles Starting at \$16,990 - Not your Average "Golf Cart Style" Electric Vehicle but a Real All-Electric comfortable Electric Vehicle.

From: Brenda Blackman <bkbblackm@ncsu.edu>

Date: 7/22/2014 2:40 PM

To: Catherine Reeve <cgreeve2@ncsu.edu>

Cathy

I'm passing this on to you for FYI. A while back I was working with my Pathways program on getting us Fleet vehicles and I looked at all available vehicles. So every so often someone will still contact me.

This is if your interested. If not let me know and I won't forward any of these to you.

Brenda

Dear Ms. Blackman

I just wanted to send you a follow – up e-mail with my direct contact information included to see if you would like me to bring Our All Electric G2 Low Speed Vehicle by for a test run there on the Campus of North Carolina State University.

GreenTech Automotive will help you reach your Green Fleet Sustainability Goals without sacrificing Performance, Safety or Quality.

Please feel free to reach out to me with any questions or possible dates when you might want to see this exciting Electric Vehicle – Thank you again for your time.

Sincerely,

Jim Van Dusen
