We ask them to get a one day replacement at no charge. They have to appeal a ticket if received and we only give them one warning per year. We reduce the second one to \$10 (which is our rate for a day permit), after that \$30. We hope to go to LPR to help avoid all of this at some point 😊

Subject: "I forgot my permit"

Hello all,

We seem to be having a rash of "I forgot my permit, it's in my other car".

Our policy is to refund twice, but after there are no refunds. The staff who do this frequently feel this is an unreasonable policy and they should be able to be carefree about having the permit in the vehicle.

Are we being unreasonable? What else are people doing?
