I can shoot for 2:15-2:30 to try and catch you. Can be done without you but figured it'd be good to sync up with you and see if you have any other issues. If that works I'll show up around then!

I leave at 3:00 PM, can it get done without me? If not, we need to do it between 6:30 and 3:00 PM

I can come over this afternoon. Would 3pm work? Shouldn't take too much time. If another time/day is better let me know.

This LPR came back on its own but will have techs check it to see why this happened.

Thanks Will, I appreciate that....do you know when you can come over and change the tab names on the intercom? No rush, just want to try and do everything before we hire new folks. Thank

Brenda,

I noticed that the SW license plate camera has gone down as of 7:20 am this morning. I have sent this over to our technicians to repair. Thank you,
