Here is a link that I found to all fifty states stating what their license plate rules are for all categories. I'm sure it will be very useful. <http://www.licenseplates.cc/highs.php?where=PA>

Maryland only uses the "0" only in vanity tags. Zero, Z and Q are all used in regular tags.

Are there any other states out there that don't use letters like "0", "Z", or "Q" on regular plates, but do use them on vanity tags?
