Subject: Complaint for Aston Park Homeless eviction

My name is Angelica Danielsen and I am placing a formal complaint about our Aston Park homeless evictions.

I am ashamed of how our city is treating our homeless community here. Provide housing and stop these evictions. It is inhumane to deny shelter. Especially with our shelters full during a dangerous pandemic.

There is enough space in our hotels. Do something. Do the right thing. Have compassion.

So many of our homeless are just trying to survive. So many are neuro-divergent and / or have substance addiction issues. These people need help from our community and our city. Our taxes pay for your job and you need to do better.

I wish you peace and health, something our homeless community isn't experiencing right now.

You work for us,
Angelica Danielsen
