---

It is disgraceful that during a pandemic when the CDC guidelines are shelter in place, that the city of Asheville and APD continue to harass and displaced houseless people. You tell them to leave Aston Park- but where do you want them to go? you're basically telling them to disappear. It is disgusting. The people are demanding that you allow these people to stay where they are. Keep their camping supplies. What the people really want is free housing for the homeless, but unfortunately all we can ask for and expect from city council the bare minimum. DO NOT EVICT THE ENCAMPMENT AT ASTON PARK. THAT IS THEIR HOME. AND DEFUND THE ASHEVILLE POLICE DEPARTMENT.
