Morning! Are you at the shelter?

Yes

Room is awful, not much done. I think we can get his stuff in tag bags. There's a ton of needle litter in there so we are having to take our time

██████ is wanting to know about a meeting for tomorrow

██████ room is all in trash bags. There's a ton of trash and the room is wreck.

👍👍 I'll come this afternoon and catch ██████

I'm at the center. I have the shelter phone if you could remind me what I'm looking for on msgs from Mr. patel

Great, it's any communication about move outs from room 306 and room 313 - I think the easiest thing is probably to search for those room numbers

██████ is asking about deposits for Arrowhead?

He's all set - tell him to talk to Miranda tomorrow night but we have it covered through Homeward Bound

OK got it

Only text about 306 says that they figured it out.

👍 thanks

■■■■ and ■■■■ both have to work today. She asked if they could do orientation today and move in there tomorrow? Do you have a contact she can call over there

3/29/22, 12:21 PM

■■■■ says he's waiting on a check in order to move ??

3/29/22, 1:32 PM

Yes he's got move in costs lined up - I'll be over there around 3:30 and will catch him

■■■■ is good to move tomorrow at 10a

■■■■ says he's supposed to be moving this evening but he's not positive until he talks with Miranda

He definitely is - his landlord is coming at 6 with a truck to take him and his stuff, per Miranda

I know it's after hours but could you possibly send me Ryan's number from Homeward Bound. We are trying to get ■■■■ number bc Ashley got something worked out for him

Yep! I think it's a work cell though so not sure if he'll answer and I can't remember if ■■■■ has a phone or gave contact info but 🙌 Ryan is 775-4199

I got his number and we are working on it. Thank you Emily!
