Great - I just heard back from Jodi and she said both of them asked if they could only share first names? Those are [REDACTED] for Ronald's unit and [REDACTED] for Heather's unit. Let me know if that won't work and we can follow up with them!

Do you know what time-ish you're planning on tomorrow? Miranda will be there at 9:30 and the first landlord ([REDACTED]) is coming at 10, but I can connect you with other Sunrise staff if it needs to be earlier than Miranda's timeline.

Thanks again for making this magic happen!!

Okay perfect! That is just to connect the check with the person that will be moving home.

Thank you so much, Emily!

Yes exactly about the checks, and I just called Jodi who's at the shelter right now and asked her to confirm with both of them that we can share their names - will follow up asap!

Thank you for sending those over! We will bring the checks over to Miranda in the morning!

Should we make checks to check 1: Ronald Thompson and check 2: Heather Steele as the landlords? Also can you let us know the names of the

people that will be housed.

Appreciate you!
