Hey all,

After some further thought and conversation internally, Homeward Bound is proposing a change to our slating from last week.

We took a client referred by AHOPE that we are thinking we'd like to try in a lower level of support than the Woodfin project. I'd like to keep him as a referral and move him to our Scattered Site team.

I'd like to additionally take the referral that was made by Sunrise for the Woodfin. We'd be taking them both.

Wanted to throw this scenario out there to the group and be sure folks who be ok with us making these shifts before next CAM.

Let me know your thoughts.

Thank you!
