Hey y'all! Homeward Bound has a spot at The Woodfin to fill this week and I'm wondering if either of you would want to present [REDACTED] for that - he was the other person we'd talked about but they just didn't have a slot till now. Justin from PORT is still working with him so I think could help but he's not able to make CAM referrals which is why I'm wondering about you guys. 🙏 I'm sure HB has someone to refer so totally fine if this doesn't work but thought I'd ask!
