Hey y'all, I just talked to [REDACTED] and told him we can store his stuff until noon tomorrow - told him he can't stay past 3 today but he can come back in the morning/before 12 for the rest of his stuff. Can you let people know?

Ashley Lung

Absolutely

Sue Polston

Thx!

Ashley Lung

Do we have funding Emily to get lots of boxes from lowes for the ppl to pack? It's a lot of their excuses. They are like 1.50\$ each

Sue Polston

Free boxes at Ingles & ABC

I don't have a way to do that - maybe a Facebook ask for boxes? We definitely have some at home I can bring

I feel so bad for [REDACTED] apparently he is banned from salvation army and that was his plan? He cried when I told him . He's such a good participant 😭

Do we know any options for him?

Your program? 🤔 He has PSH but not sure if it'll be by 3/31

Ashley Lung

I'm waiting on my 3pm meeting but I'll get all the details.

Ashley Lung

It's just a brain storming session nothing is set in stone yet, I just chatted with Courtney so it's TBD lol
