Yes, we'll take them. I think that makes sense. Will get you a letter out asap.

Thanks,

Hi Leslie,

The Alabama capital defendant you took the other day with charges in Buncombe and Wake, Alfred Logan, has a couple of "co-Defendants" here – Crystal Logan 21CRS 900363 and Lindsey Calton 21CR 90341 (unserved)). They're both charged with accessory after the fact – so perhaps not technically co-defendants -- but there may be some utility in Special Pros taking these to work witness cooperation etc. We can also keep them. Just let me know.

Sorry for missing these . . . Todd
